Upload documentation for the following immunizations:

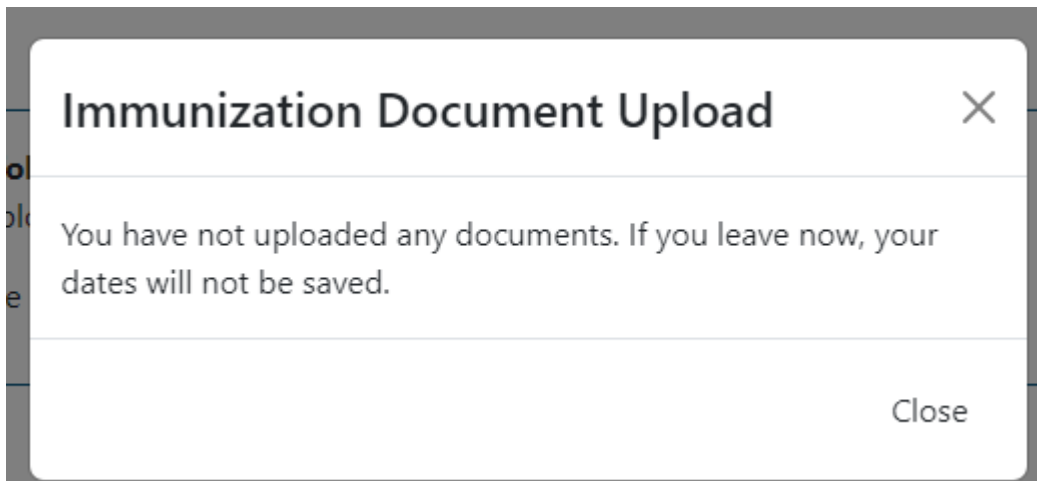

Rubella Titer (blood test)- Must Upload Results received on 01/03/2019

Please only upload one copy of the document

Upload Documents

How to upload your immunizations to the UTC Patient Portal.

- ***If a copy is not uploaded, we will not be able to verify that your immunization dates are valid, and the dates you have entered will not be saved.*** If the dates you have entered do not match your immunization record, your immunizations will not be considered acceptable.

- On the upload screen you will see a list of documents. Select the one(s) that applies to you. Click "Select File" and begin the upload process.

Once you have uploaded your document(s), the University Health Services staff will be notified there are items to be reviewed. It may take up to three business days for your immunization dates and documentation submission to be reviewed.

How to upload your immunizations to the UTC Patient Portal.

If you have previously submitted documentation and it has been approved, you will see 'Verified' when you click on the Immunizations link on the left menu.
